Easy to Set-up. Easy to Learn. Easy to Use.

Step 1
Upload your purchase history data.
Just drag-and-drop.

Step 2
Review customized Savings Plan and Spend Analysis.

Step 3
Target categories, collaborate on projects, and send suppliers to Curvo.

Step 4
Track your savings and take control of local contracting.

Trusted Data. Trusted Platform. Trusted Engagements.

Gain end-to-end control and visibility
Manage data, conduct spend analysis, identify opportunities, run projects, track savings from easy-to-use dashboard.

Work smarter and faster
The more you use the platform, the better for efficiency and ROI. Most Curvo customers gain over 100% ROI in just a few months.

Cloud-based platform
Requires no heavy installation, added system architecture or extensive IT support.

Achieve sourcing and spend management at scale
Across contracts, facilities, 50+ categories, and thousands of vendors and medical devices.

GPO-agnostic
100% focused on healthcare, with some platform functionality available to suppliers without charge.

Easy onboarding puts platform to work fast
Most users can review results within 72 hours. Success is backed by our expert teams, custom reporting, and regular reviews.

Seamless digital connections with medical device suppliers
Providers and suppliers engage over neutral analysis and automated bid processes.

1X ROI
IN FIRST 90 DAYS

4X ROI
IN FIRST YEAR

CUSTOMER SUCCESS

"Here's the thing: I feel like they've gotten into our heads, saw exactly what it is that we have been searching for and have created it. It's just wonderful."

DIRECTOR, SUPPLY CHAIN STRATEGY, $2B ACADEMIC MEDICAL CENTER IN CALIFORNIA
